

Candidate Travel Reporting (Technical Amendment)

Bill Proposal:

Technical amendment to section 89513(a)(3) to delete an obsolete reference to section 84211(j)(7).

Problem:

Government Code section 84211 was amended in 2000 to repeal what was then subdivision (j)(7) requiring detailed reporting of expenditures for travel of a candidate and members of the candidate's household. Section 89513(a)(3) still refers to subdivision (j)(7) for reporting travel payments.

How this bill would address the problem:

This proposal would delete the reference to section 84211(j)(7) that currently exists in section 89513(a)(3), and leave the general reference to section 84211.

Bill Language:

The amendment would revise the last phrase of section 89513(a)(3) to say:

“shall be reported as required by ~~paragraph (7) of subdivision (j) of~~ Section 84211.”
